**June 18 – August 10, 2012  
Monday – Friday, 8 AM – 12:00 PM**

**Classroom Teacher: Melisa Tjong**

**About the Course**

---

Level one Indonesian introduces students to Indonesian pronunciation, basic vocabulary and phrases. This level prepares students to use the language in straightforward social situations and uncomplicated daily tasks such as introducing self and others, expressing likes and dislikes, giving simple instruction for daily tasks at home, buying things, reading simple advertisement, invitation, and writing simple lists and notes or short messages. Basic grammar and structure are taught and presented in real life contexts. As an important component of language learning, various aspects of Indonesian culture are integrated into the language instruction.

A range of language-learning activities is available both inside and outside classroom. *Indonesian will be the language of instruction. Questions or concerns that require the use of English are addressed outside of class.*

The course meets Monday through Friday from 08:00 am to 12:00 pm in 53 Bascom Hall. The students are also suggested to attend Indonesian conversation table on Fridays at Lake Front Café from 4 to 5pm. The language table is not compulsory.
